General Guidelines:

Using the Skyline Ridge Pool as a member or non-member guest for lessons Due to Covid-19 constraints the following rules will be strictly enforced:

- Stay home if you or your child is feeling sick or has a fever, cough or other COVID-19 symptoms. These patrons will not be able to swim or be on deck.
- **Stay a minimum of 6 feet from other families and patrons in deck areas.**
- Please change into swim suit at home before lessons.
- Use hand sanitizer before/after leaving the pool. When you get home, wash your hands with soap and water for at least 20 seconds.
- **Patrons are required to use a face mask or face shield on deck at all times.**
- Each person will be given a temperature check before entering the pool. Please arrive no more than 5 min early. There will be hand sanitizer available or you can wash hands in the bathroom.
- There will be **One-Way** traffic around the pool so patrons are not in cross traffic. Enter the pool area and go forward to the club house and can take a quick rinse in the shower (**no longer than (1) minute**). **Restrooms will be used for toilet and hand washing only.** Please use the farthest chairs available. Once class is done please take your personal items and maintain One- Way traffic around the pool to exit. If you need to use the bathroom use the same One-Way direction and then exit through the gate.

Swim Lessons:

- Swimmers will not be allowed to enter the pool until the instructor indicates class is starting.
- Class size may be limited for proper social distancing. (3) student max capacity for lessons. (4) student max unless all from the same family or Covid pod. Please specify ahead of time.
- Equipment used in the class will be cleaned between classes. Students will be encouraged to bring their own goggles, caps, etc. Students will not be able to borrow goggles or swim suits.
- Encourage all students to maintain a safe distance apart during class, especially out of the water.
- All instructors will wear a face shield in the water and must either wear a face shield or mask when teaching from the deck.
- All Pre School aged classes will have the option for a parent/guardian to participate in the water with their child to allow social distancing to be maintained. In water participation from parent/guardian may need to wear a face shield. You may provide your own or purchase from Swim For Fun. Face Shields \$5
- All swimmers will be expected to get out of the pool in a timely manner and exit the pool area so that equipment can be cleaned for the next session and next group can come in and prepare for their class.
- Safety precautions will be updated daily.
- **Non-Members must leave the pool immediately after Lessons.** No Loitering or using the pool after the lesson.
- No Food on Deck!
