General Guidelines:

Using the Sunburst II Pool as a member for lessons Due to Covid-19 constraints the following rules will be strictly enforced:

- Stay home if you or your child is feeling sick or has a fever, cough or other COVID-19 symptoms. These patrons will not be able to swim or be on deck.
- **Stay a minimum of 6 feet from other families and patrons in deck areas.**
- Please go to the bathroom before coming to class. Please arrive in your swim attire ready to get in the water. It is recommended to change and shower at home following your visit.
- Use hand sanitizer after leaving the pool. When you get home, wash your hands with soap and water for at least 20 seconds.
- **Patrons are recommended to use a face mask on deck at all times unless fully vaccinated.**

Swim Lessons:

- Swimmers will not be allowed to enter the pool until the instructor indicates class is starting.
- Class size may be limited for proper social distancing. (3-4) student max capacity for lessons.
- Students will be encouraged to bring their own diving rings, kickboards, goggles, caps, etc. Students will not be able to borrow goggles or swim suits. Caps and goggles are available for sale.
- Encourage all students to maintain a safe distance apart during class, especially out of the water.
- All Pre School aged classes will have the option for a parent/guardian to participate in the water with their child to allow social distancing to be maintained. In water participation from parent/guardian may need to wear a face shield. You may provide your own or purchase from Swim For Fun. Face Shields \$5
- All swimmers will be expected to get out of the pool in a timely manner so next group can come in to make preparations for the next class.
- Safety precautions will be updated daily.
